#### Mission Moment:

##### ***Giving barriers to care the boot: A unifying call***

Every day, people struggle to access the mental healthcare they desperately need. But what if we could change that? "Giving barriers to care the boot" is not just a slogan; it's a promise to listen, to care, and to act. Let us be inspired by the resilience of those who have battled mental health issues. Let us honor their stories by helping to create a future where everyone has the opportunity to receive appropriate care. Let us pave the way for a world where health and happiness thrive!

#### Culinary Experience:

Indulge in a delectable selection of small plate entrees and gourmet bites expertly crafted by Milwaukee's award-winning Bartolotta Catering and Events.

#### "Rock Chic" Attire:

Being rock chic [shĕk] is more than a style, it's something that's inside you! Think casual meets flashy. Simple meets sequins. Sneakers meets boots and stilettos. Not feeling like a rockstar? It's OK! Whatever you choose, wear it with *attitude!*
