

20th Annual Women's Gathering – Invocation

By Reverend Ken Lenz, PhD

Lord God, we have gathered today in support of a great and growing need in our country. A need for mental, emotional, and spiritual health and well-being. Thank you for this opportunity to share with one another and to support ongoing efforts to impact the lives of many more people in the coming weeks and months: “embracing safety, trust, and healing from the inside out.”

We acknowledge you as the one who provides for our needs, and we thank you for the opportunity we have to share with those who have needs. Help us in our desire to be loving and caring for others in the same manner as we care for ourselves. We invoke your blessing on all that takes place here in our time together. Amen.
